Dear Mr Wiewiórowski,

With reference to your letter dated 3 July 2015 enclosing the prior-checking opinion on PeDRA, please find attached Frontex' Action Table with the description of measures taken following the EDPS recommendations plus a full security analysis of the proposed technical solution.

We are now taking steps to develop the technical system to allow us to securely process the personal data collected by Member States, and we hope to launch a Pilot Exercise in February 2015.

Yours sincerely,

Gil Arias
Deputy Executive Director
