Subject: PeDRA and sexual orientation? your number 20668/2016

Dear [REDACTED],

Referring to our today's phone conversation, I had the opportunity to have a short clarification chat with the Project Manager, [REDACTED]

[REDACTED] confirmed that the expression "sexual orientation" was not eliminated from the updated Notification sent to you recently, since our intention was only to up-date you on the three points discussed during the video-conference.

Please be assured that following strictly EDPS' prior-checking opinion, Frontex did not and does not process personal data on sexual orientation under PeDRA project.

I take this opportunity to express our thanks for your permanent support and for advising us.
