

No	PRIORITY	DG	SUBJECT	TITLE & Ref. NO	ESTIMATED DATE OF ADOPTION	POLITICAL MOTIVATIONS AND BRIEF DESCRIPTION - EDPS INVOLVEMENT AT THIS STAGE
1	EDPS will issue an opinion	AGRI	Common Agricultural Policy	Proposal for a Council and Parliament Regulation amending Council Regulation (EC) N° 1290/2005 on the financing of the common agricultural policy - Transparency 2011/AGRI/018	4th quarter 2011	The aim is to continue to ensure transparency by taking into account the judgement of the Cour of Justice issued on 9/11/2011. Member States were obliged to publish all subsidies to beneficiaries of payments under the CAP and rural development policy. These obligations were challenged by two German farmers (ECJ cases C-92/09 Volker und Markus Schecke GbR and C-93/09 Hartmut Eifert). The Court in its judgment of 9/11/2010 partially invalidates the legal base in relation to the publication obligations (Art 42, point 8 and Art 44bis of Reg 1290/2005). It also invalidates in its entirety Commission Reg 259/2008 on the application of Council Reg 1290/2005 as regards the publication of information on the beneficiaries of funds from the European Agricultural Guarantee Fund (EAGF) and the European Agricultural Fund for Rural Development (EAFRD).
2	EDPS will follow developments	CLIMA	Greenhouse gas emissions	Revision of the EU GHG Monitoring Decision (Proposal for amendment of Decision 280/2004/EC concerning a mechanism for monitoring Community greenhouse gas emissions and for implementing the Kyoto Protocol) 2011/CLIMA/006	October 2011	The objective of the decision is to streamline the reporting framework and to improve the quality of data reported.
3	EDPS may comment or issue an opinion	CLIMA	Greenhouse gas emissions	<b>Commission Regulation establishing a Union Registry for the trading period commencing on 1 January 2013, and subsequent trading periods, of the Union emissions trading scheme pursuant to Directive 2003/87/EC of the European Parliament and of the Council and Decision 280/2004/EC of the European Parliament and of the Council and amending Regulations (EC) No 2216/2004 and (EU) No 920/2010.</b>	4th quarter 2011	The regulation should be adopted pursuant to Article 19 of Directive 2003/87/EC.
4	EDPS may comment or issue an opinion	EMPL	Posting of workers	Legislative initiative for Posting of Workers. 2011/EMPL/001	20 December 2011	The general objective is to improve the implementation and application in practice of Directive 96/71/EC on Posting of Workers. As specific objectives one should ensure the effective respect of the posted workers rights, the clarification of the obligations of national authorities and the clarification of the role of trade unions and social partners in general in the framework of the Directive.
5	EDPS may comment or issue an opinion	ENER	Energy efficiency and savings	Legislative proposal on energy efficiency and savings. 2011/ENER/004	Adopted 22 June 2011 [COM(2011)370]	This initiative is a follow up to the European Energy Efficiency Plan. It will provide an enhanced framework for energy efficiency and savings policies of Member States, including targets, role of National Energy Efficiency Action Plans, exemplary role of public sector, financing, consumer information. It will also define instruments to develop the energy services market and the roles of energy companies in promoting energy savings throughout the energy supply chain, including supply to end-users. It will set framework conditions for increased generation, transmission and distribution efficiency, including strengthened measures for the promotion of cogeneration and district heating & cooling. It will replace the Energy Services Directive 2006/32/EC. The final legal form still needs to be decided. <i>Initiative under consideration for possible reaction.</i>
6	EDPS will issue an opinion	ENTR	Radio and telecommunication equipment	Directive amending the Directive 1999/5/EC of the European Parliament and Council of 9 March 1999 on radio equipment and telecommunications terminal equipment and the mutual recognition of their conformity 2009/ENTR/021	4th quarter 2011	The revision objectives will be to: - replace many impractical and ineffective administrative provisions which do not allow to retrieve the manufacturers or importers of a number of mass market radio equipment by more modern electronic means. - create an environment more conducive to innovative technologies and mitigate risks when interference phenomena are not known yet, and in particular when there is no harmonised standard. - that too many players ignore the rules and hence more focus on enforcement and better tools for national administration.
7	EDPS may comment or issue an opinion	ENTR	Global navigation satellite system	<b>Proposal for a Regulation of the European Parliament and of the Council for a new Regulation on governance and financing of the European GNSS programmes</b>	30 November 2011	The main policy objectives are: - in terms of governance, to determine the roles and responsibilities of all players around the two European satellite navigation infrastructures EGNOS and Galileo, - in terms of legal certainty, to entrust all players with the necessary power to fulfil their assigned missions, - in terms of financing, to ensure a long-term commitment of the EU to support the exploitation of the two systems, - and in terms of transparency and accountability, to set up the rules ensuring transparency and accountability in the implementation of the European GNSS programmes beyond 2014.

8	EDPS will follow developments	ENTR	Drug precursors	<b>Legislative proposal to amend Regulation (EC) No 273/2004 on drug precursors 2011/ENTR/021</b>	4th quarter 2011	The objectives of Regulation (EC) No 273/2004 on drug precursors are to effectively prevent the diversion of drug precursors from the legal trade to the illicit manufacture of synthetic drugs and psychotropic substances - in line with the EU Drug Strategy 2005-2012, which aims to achieve a high level of protection, well-being and social cohesion by preventing and reducing drug use. The objectives of the present initiative are to address certain weaknesses to achieve this goal for the main heroin drug precursor AA and possibly also for all other drug precursors of the same category (scheduled substances in category 2) whilst not creating unnecessary obstacles to legitimate trade.
9	EDPS will follow developments	FPI/EEAS	Restrictive measures	Restrictive measures against natural or legal persons and groups or non-State entities under Article 215 TFEU	Ongoing	In July and December 2009, the EDPS issued two opinions on legislative instruments concerning certain restrictive measures - notably freezing of assets and economic resources - on natural and legal persons who are considered to be involved in terrorist activities or human rights abuses. He also issued formal comments in July 2010 and March 2011 on the same subject. The EDPS regularly monitors developments in the area of restrictive measures and may issue formal comments or opinions where appropriate.
10	EDPS will issue an opinion	HOME	PNR Agreements with US, Canada and Australia	Proposals for a Council Decision on [respectively] the signature and the conclusion of Agreement[s] between the EU and [respectively] the US and Canada on the transfer and use of PNR data to prevent and combat terrorism and other serious transnational crime 2011/HOME/028 and 2011/HOME/029 (US), 2010/HOME/038 and 2010/HOME/027 (Canada)	4th quarter 2011	Propose to Council that it, respectively, signs and concludes an Agreements for the transfer of PNR data from the EU to, respectively, the United States and Canada.
11	EDPS will issue an opinion	HOME	EU TFTP	Communication to the European Parliament and to the Council on the development of a European system equivalent to the US Terrorist Finance Tracking Programme 2011/HOME/193	Adopted 13 July 2011 [COM(2011)429]	Communication to the European Parliament and to the Council on the development of a European system equivalent to the US Terrorist Finance Tracking Programme. <i>Initiative under consideration for possible reaction.</i>
12	EDPS will issue an opinion	HOME	Schengen Information System	Regulation on migration from the Schengen Information System (SIS1+) to the second generation Schengen Information System (SIS II) (recast) 2011/HOME/198	October 2011	"This proposal aims at bringing into line the existing regulations on the migration from SIS1+ into SIS II with the Migration Plan of 25/02/2011 taking into account certain technical adjustments required by Migration Plan based upon the unanimous request of Member States. This proposal also provides for a single legal base for the two migration instruments governing the migration from SIS 1+ to SIS II under Article 74 TFEU and it merges them into one legal act. "
13	EDPS will issue an opinion	HOME	Smart borders	Communication on Smart Borders (Entry Exit System and Registered Travellers Programme) 2011/HOME/256	19 October 2011	Communication on Smart Borders (Entry Exit System and Registered Travellers Programme).
14	EDPS will issue an opinion	HOME	Confiscation and recovery of criminal assets	Directive on the confiscation and recovery of criminal assets in the European Union. 2010/HOME/351	30 November 2011	EU Action Plans on organised crime constantly highlighted the need to attack the proceeds of crime through an enhanced use of confiscation and asset recovery procedures. The 2008 Commission Communication "Proceeds of organised crime - Ensuring that crime does not pay" notes that organised crime activities are profit-driven. At present the number of freezing procedures and confiscation cases in the EU seems to be relatively limited and the amounts recovered from organised crime seem modest if compared to the estimated revenues of organised criminal groups. An increased and more effective use of confiscation procedures seems desirable.
15	EDPS will issue an opinion	HOME	EUROSUR	Legislative proposal defining the objective, scope and the technical and operational framework of the European Border Surveillance System (EUROSUR) 2011/HOME/008	7 December 2011	The legislative proposal shall define the objectives and scope of EUROSUR and provide a legal basis for the competences and tasks of the national coordination centres as well as for the cooperation and information exchange to be carried out among them as well as with FRONTEX.

16	EDPS may comment or issue an opinion	HOME	VISA Information System	<b>Commission Implementing decision adopting the technical specifications for the VIS Mail Communication Mechanism for the purposes of Regulation (EC) No 767/2008 of the European Parliament and of the Council concerning the Visa Information System (VIS) and the exchange of data between Member States on short-stay visas (VIS Regulation)</b>	4th quarter 2011	The Commission's decisions will set up the technical specifications for the VIS Mail Communication Mechanism for the purposes of Regulation (EC) No 767/2008 (VIS Regulation)
17	EDPS may comment or issue an opinion	HOME	Internal Security Strategy	The 1st annual report from the Commission to the EP and the Council on the implementation of the Internal Security Strategy 2011/HOME/033	15 November 2011	To report on the implementation of the Internal Security Strategy.
18	EDPS will follow developments	HOME	Enhanced intra-EU solidarity	Communication on enhanced intra-EU solidarity 2011/HOME/016	30 November 2011	Asylum flows are not distributed in a balanced way across the EU. Some Member States are particularly affected by important asylum flows and do not have the capacity to cope with them. This leads to poor implementation of the EU asylum acquis and insufficient reception conditions for asylum-seekers and persons enjoying international protection. Lack of intra-EU solidarity can also exacerbate anti-EU feeling in certain Member States, which feel they are not supported by the other Member States.
19	EDPS will follow developments	HOME	VISA Code	<b>Commission Regulation amending Regulation (EC) No 810/2009 of the European Parliament and of the Council of 13 July 2009 establishing a Community Code on Visas (Visa Code) 2011/HOME/218</b>	4th quarter 2011	Introduction of specific codes in the visa stickers to indicate that visa applicants' data are registered in the Visa Information System (VIS); modification of Annex VII of the Visa Code
20	EDPS will issue an opinion	INFSO	Cloud computing	Commission Public consultation on cloud computing services in Europe	16th May 2011 to 31st August 2011	The European Commission is seeking views from citizens, businesses, public administrations and other interested parties on how to fully benefit from 'cloud computing'. Cloud computing enables companies, public administrations and individuals, using networks such as the internet, to access their data and software on computers located somewhere else. It can help businesses – especially SMEs – to drastically reduce information technology costs, help governments supply services at a lower cost and save energy by making more efficient use of hardware. <i>The EDPS replied to the public consultation and is considering further reaction.</i>
21	EDPS will issue an opinion	INFSO/ENTR/MOVE	eCall	Commission Recommendation on eCall 2010/INFSO+013	Adopted 8 September 2011 [C(2011)6269]	Recommendation to the Member States targeting Mobile Network Operators on the transmission of eCall, including the Minimum Set of Data (MSD) from the in-vehicle systems to the PSAPs. The guidelines would be based on the single European emergency number enhanced with location capabilities (E112) and the set of standards related to transmission of the eCall, including the implementation of the eCall discriminator (eCall flag) in the mobile networks. <i>The EDPS was informally consulted on this initiative by the Commission. Formal comments or opinion may be issued at a later stage.</i>
22	EDPS will issue an opinion	INFSO	Data breach notifications	Technical implementing measures for personal data breach notifications in the electronic communications sector 2011/INFSO/014	4th quarter 2011	In accordance with Article 4 of the amended e-Privacy Directive (2002/58/EC) the Commission may adopt technical implementing measures on the circumstances, format and procedures for the information and notification obligations relating to personal data breaches, following broad consultations and a comitology procedure.
