**Subject: Notifications on the processing of personal data related to the selection of temporary and contract agents (case 2012-1012) and of Seconded National Experts (case 2012-1013)**

Dear Mr Pototschnig,

We have analysed the notification and further information you have provided the EDPS for prior-checking under Article 27(2)(b) of Regulation (EC) 45/2001 ("the Regulation") on the processing of personal data related to the selection of temporary and contract agents as well as Seconded National Experts at the Agency for the Cooperation of Energy Regulators (ACER).

All documentation sent to the EDPS was analysed in light of the EDPS Guidelines concerning the processing operations in the field of staff recruitment ("the Guidelines")<sup>1</sup>.

On the basis of the notification and updated version of the two privacy statements, the EDPS notes that the staff recruitment processing operations under analysis are in conformity with his Guidelines and the Regulation.

We have therefore decided to close the case.

Yours sincerely,

Giovanni BUTTARELLI
