Subject: Updated notification on ASSMAL2 (case 2013-0193) following the EDPS Opinion of 10 July 2007 (case 2004-238)

Dear Mr SCOGNAMIGLIO,

Thank you for the updated notification and all relevant documents you have provided the EDPS concerning the management of the common Sickness Insurance Scheme of EU institutions (ASSMAL2).

The EDPS issued an Opinion on ASSMAL1 on 10 July 2007 and provided a number of recommendations. On the basis of the notification, documents and further information received, the EDPS notes that the Commission has taken into consideration and implemented these recommendations in the updated ASSMAL2.

Nevertheless, the EDPS having thoroughly analysed the information provided on security measures, considers that Article 22 of the Regulation is not adequately implemented. As such, the EDPS recommends that the Commission adopts the following organisational and technical measures:

(...)

The EDPS would therefore appreciate if you could send all relevant documents demonstrating the implementation of the above recommendations within four weeks after receipt of this letter.

Yours sincerely,

(signed)

Giovanni BUTTARELLI
