Subject: Prior check opinion on the pre-recruitment and annual medical exams at the European Union Satellite Centre

Dear Mr Legai,

We have analysed the notification for prior-checking under Article 27(2)(a) of Regulation 45/2001 (the Regulation) on the processing of personal data in the context of pre-recruitment and annual medical exams at the European Union Satellite Centre (EU SatCen).

As you have pointed out in your cover letter, the EU SatCen has prepared the notification, the privacy notice and the contract with the external medical provider taking into account the EDPS Guidelines on the processing of personal data related to health in the workplace¹.

According to the notification and the above documents, the EDPS considers that the EU SatCen has adopted adequate data protection safeguards in conformity with the Regulation. We have therefore decided to close the case.

Should you have further doubts, please do not hesitate to contact us.

Kind regards,

(signed)

Wojciech RAFAŁ WIEWIÓROWSKI
