7.	Very short description and purpose of the processing	<p>The enrolment of children is carried out via the IT Tool KIDDYWEB in day nurseries and after-school childminding centres via collection of all the information required in order to determine the priority for admission, the hours of attendance, the parental contribution and the care to be received by the child.</p> <p>The role of the EDPS is to verify the costs each registration via KIDDYWEB entails. This however is not done via KIDDYWEB. The OIB sends attendance lists which includes the costs for each parent via email to the HRBA unit (to the person verifying the salaries, as well as to the FMB EDPS-FINANCE).</p>
