

## **SIS II Supervision Coordination Group**

12th meeting  
Brussels, 14 November 2018

### **Summary**

The Supervision Coordination Group of the Schengen Information System (SIS II) met on 14 November 2018 in Brussels, hosted by the European Parliament.

#### **Adopted documents**

The Group adopted its Activity Report for the period of 2016-2017.

The Group agreed on a new and updated content on its website.

#### **Discussions**

The Group discussed the national criteria used by Member States for introducing alerts on the basis of Article 24 of the SIS II Regulation, in view of the new and soon to be adopted SIS Regulations.

The Group intensified its discussions on the increase of alerts entered in the SIS II based on Article 36 of the SIS II Decision (i.e. data on persons or vehicles, boats, aircrafts and containers entered for the purposes of discreet checks or specific checks).

The Group discussed the update of its Guide for exercising the right of access.

The Group had a first exchange of views on possible items for its next Working Program which will cover the period from 2019-2021.

Two Representatives of the European Commission (DG HOME) were invited for a discussion during a part of the meeting on the new and soon to be adopted SIS Regulations.

#### **Organisational issues**

The next meeting of the SIS II SCG will be held on 19 June 2019.
