Dear Mr Schauss,

Thank you for the notifications for prior checking sent by Mr Moayedí on 2 May 2005, concerning cases 2004-285, 2004-281, 2004-284, 2004-278 and 2004-282.

Case 2004-285 on the archiving of personal files was first considered as a consultation on the need for prior checking under Article 27(3) of Regulation (EC) No 45/2001. Having now received the notification about this case, we would inform you that we do not consider this archiving of personal files to be subject to prior checking under Article 27. Unless you have additional information to challenge this conclusion, we shall therefore close the case.

We will in any event take account of the archiving of these files when examining the conservation of personal files in the prior checking of case 2004-281 on personal files and staff reports in general.

Yours sincerely,

Joaquín BAYO DELGADO  
Assistant European Data Protection Supervisor
