Privacy by Design contest for mHealth applications

Frequently Asked Questions on the Rules of Contest

Q1- "In section 7, the Rules of Contest state that "*The app should … support two or more mobile operating systems*". What does it mean concretely?"

A1- "In section 7 of the Rules of Contest, the expression "*The app should … support two or more mobile operating systems*" is to be interpreted as follows: the app is accepted insofar as it supports more than one mobile operating system, even in the form of a web app (including Progressive Web Apps)."
