WHO ARE WE?

EDPB and EDPS - young and dynamic institutions

The European Data Protection Supervisor (EDPS) was established in 2004, in Brussels, Belgium. As the European Union's independent data protection authority, we strive to be an impartial centre of excellence for the enforcement and reinforcement of EU data protection and privacy standards, both in practice and in law. Our organisation employs about 120 staff members, most of whom are EU officials, but we also welcome Contract Agents and Seconded National Experts, working full-time or part-time.

Regulation (EU) 2016/679 provides for the establishment of the **European Data Protection Board (EDPB)**, a body of the Union with legal personality that shall act independently. The EDPB, established in 2018, is composed of the Heads of national data protection supervisory authorities and the European Data Protection Supervisor.

The EDPB is responsible for promoting the correct and consistent interpretation and application of the Regulation and for promoting cooperation between supervisory authorities throughout the Union.

The EDPB receives analytical, administrative and logistical support from the EDPB Secretariat that is provided

by the EDPS.
