Dear colleagues

On behalf of Prof Guido Rasi we thank you for your communication on the outcome of case 2018-0688 and we take note of the decision by EDPS.

With best regards

Head of the Office of the Executive Director

European Medicines Agency

This message and any attachment contain information which may be confidential or otherwise protected from disclosure. It is intended for the addressee(s) only and should not be relied upon as legal advice unless it is otherwise stated. If you are not the intended recipient(s) (or authorised by an addressee who received this message), access to this e-mail, or any disclosure or copying of its contents, or any action taken (or not taken) in reliance on it is unauthorised and may be unlawful. If you have received this e-mail in error, please inform the sender immediately.
We examined all the documentation sent by you and we believe that EMA addressed all the EDPS recommendations by 1) adopting rules regarding the processing of personal data to prevent the circumvention of the access to documents queuing system; as well as 2) informing data subjects about those rules in the data protection notice/privacy statement.

Consequently, we have decided to close the case.

Yours sincerely,

The present transmission of personal data is carried out under Regulation (EU) 2018/1725 (see recital 21). As the controller of the personal data hereby transmitted, you are responsible for ensuring that they are lawfully processed and used only for the purpose for which they were transmitted. Processing the data in a manner incompatible with that purpose, such as transmitting them to another recipient where this is not necessary or legally required, is contrary to the conditions upon which these data have been transmitted to you.
