**Subject:** RE: FAR draft opinion -case 2017-0874

Dear [REDACTED]

Many thanks for the provision of the Draft Opinion on FAR. I want to thank you and all the colleagues involved with the file, as I know it has been an arduous work, and most likely might have generated some difficult times to deal with the information provided.

I would like to ask for an extension of the deadline for the provision of comments, as due to the summer break, several colleagues who are dealing with the file are taking annual leave and may be overlapping amongst them. For the sake of completion, consistency and high quality of the comments to be provided, I thus would like to ask if possible to have the deadline extended to **15 September 2018**. By then, all colleagues involved in the file should be already within Headquarters, having had the time to read the draft and comment it following to your instructions.

Dear [REDACTED],

Please find enclosed the draft opinion on FAR (case number 2017-0874) for your comments **by 27<sup>th</sup> of July 2018**. Until we receive your comments, the case is suspended. Should you need an extension because of the summer holidays please let us now.

Please note that your comments should focus only on practical aspects and factual inaccuracies in the attached draft and not serve as an occasion to provide feedback on the actual implementation relating to the substance of our recommendations.

If we receive no feedback by the above mentioned date the EDPS will go on to adopt the Opinion.

We remind you that the EDPS policy is to publish prior-checking Opinions. The section on **Security will however be removed before publication**. Should you have any legitimate reasons for which all or part of the opinion should not be published, please inform us accordingly. This is without prejudice to the application of Regulation (EC) 1049/2001.

Please answer this e-mail with the EDPS functional mailbox in cc. ([edps@edps.europa.eu](mailto:edps@edps.europa.eu)) as the date of the receipt of your answer to the EDPS mailbox will be the only date taken into account to lift the suspension. Please make a reference in the subject of your message to the case file number 2017-0874.

Kind regards,
