Hi [REDACTED]

We have published remarks on Pegasus last Feb:
https://edps.europa.eu/system/files/2022_02/22_02_15_edps_preliminary_remarks_on_modern_spyware_en_0.pdf

Wojciech is in Washington the whole week, at IAPP Congress. He doesn't want to react for the moment on the specific story here.

Thx,

Olivier
