Dear [REDACTED]

Further to our discussion on the phone, please have look at the MoUs already signed at the bottom of the following page: <http://fra.europa.eu/en/cooperation/eu-partners/eu-agencies> I believe that they could serve as a model for the FRA-EDPS MoU. As for the dates for signature, my colleague [REDACTED] (in cc.), who [REDACTED] could provide you the list of the Director's mission to Brussels before May 4th.
With kind regards,

Dear [REDACTED]

For the moment the only possibility to meet in Brussels would be 29 or 30 March; I am sure that further missions to Brussels will come up, should 29/30 March not be convenient.

Kind regards,

Hi [REDACTED]

Could we try to finalise the document this week? I now have various (non controversial, I think) comments from colleagues, including Giovanni, to try to integrate.

Dear [Redacted] (if I may),
Please find attached the draft agreement which has our amendments on board.
These were mostly of formal nature (we avoid in our MoUs any 'contractual language' like 'Party' etc). Moreover, we thought that the section "strategic matters" was already covered in substance by other sections and we deleted the section on "areas of cooperation" as we did not see any need to give a, in any event not exhaustive, list of areas. It is maybe beneficial to keep the MoU short and flexible.
Finally we added a clause in the new Para 6 which refers to the specific institutional roles of FRA and EDPS and that these should not be affected by the MoU.
So for us the document is in principle fine as it stands now.
Kind regards,
[Redacted]
