**Subject:** Meeting of 29 April - Case 2022-0454

Dear [REDACTED]

With regard to our meeting on Friday the 29 April, I would like to ask you who will participate on Europol's side.

As this meeting would be the opportunity for us to raise questions in order to understand

how operational data will be processed in Europol after the adoption of the new Regulation, we wanted to make sure that the participants would be in place to answer our questions.

Many thanks and best regards,
